**Feedback on Bioday with Slovenians in PIRANO, SLOVENIA, 11 April 2019 :
STUDENT EXCHANGE DAY "MALIGNANI- PRESEREN"**

Watch the video **SLOVENIA by CNN**: <https://youtu.be/3J8v84jjczQ>

And tell me your impression of Slovenia. Did you like the images? Do you think the background music is effective? Did you recognize Pirano and the Saline?

What do you think of the **visit to the Saline**? What have you discovered about the production of salt? Which method? Why is the protection of Saline relevant for Slovenia and its inhabitants?

Did you enjoy the **guided tour of Pirano**? Did you feel welcome by the Slovenian friends? What do you remember of Pirano as interesting spots to see?

Express your general impression of **the day spent together**. Is it worth living exchange days? Why?
